This EULA grants you no rights to use such content. If this Software contains documentation that is provided only in electronic form, you may print one copy of such electronic documentation. Except for any copies of this EULA, you may not copy the printed materials accompanying the Software.

The Licensee grants Licensor the right to include the Licensee as a customer in Product promotional material. Licensee can deny Licensor this right at any time by submitting a written request via email to sales@comalatech.com, requesting to be excluded from Product promotional material. Requests made after purchasing may take thirty (30) calendar days to process.

8. Export Restrictions

You acknowledge that the software licensed hereunder is subject to the export control laws and regulations of Canada, and any amendments thereof. You may not export, ship, transmit or re-export software in violation of any applicable Canadian law or regulation.

9. Disclaimer of Warranties

Save as provided in clauses 10 and 11 below, the Product is provided on an "as is" and "as available" basis without warranty, express or implied, of any kind or nature, including, but not limited to, any warranties of performance or merchantability or fitness for a particular purpose, including without limitation that Licensor does not warranty that the Product will be error-free, complete, or correct. Licensor provides evaluation copies of the Product so that customers can assess the Product.

10. Infringement Indemnification

(a) If you fall into the Standard or Source Code Use category describe above, Licensor will defend or settle, at its expense, any action brought against Licensee based upon the claim that the Product, if used within the scope of the License granted under this agreement, infringe a registered United States patent or copyright; provided, however, that: (i) Licensee shall notify Licensor promptly in writing of any such claim; (ii) Licensee shall not enter into any settlement or compromise any claim without Licensor's prior written consent; (iii) Licensor shall have sole control of any such action and settlement negotiations; and (iv) Licensee shall provide Licensor with information and reasonable assistance, at Licensor's request and expense, necessary to settle or defend such claim. Licensor agrees to pay all damages and costs finally awarded against Licensee attributable to such claim. This Section 14 states the sole liability of Licensor and the exclusive remedy of Licensee for any infringement of intellectual property rights by the Product.

(b) If you fall into the Standard or Source Code Use category describe above, If the Product becomes, or in the opinion of Licensor may become, the subject of a claim of infringement of any third party right, Licensor may, at its option and in its discretion: (i) procure for Licensee the right to use the Product free of any liability; (ii) replace or modify the Product to make it non-infringing; or (iii) refund any license fees related to this Product paid by Licensee.

(c) Licensee will defend or settle, at Licensee's expense, any action brought against Licensor based upon the claim that any modifications to the Product or combination of the Product with products infringes or violates any third party right, and only to the extent that such modification or combination contributes to such claim; provided, however, that: (i) Licensor shall notify Licensee promptly in writing of any such claim; (ii) Licensor shall not enter into any settlement or compromise any such claim without Licensee's prior written consent; (iii) Licensee shall have sole control of any such action and settlement negotiations; and (iv) Licensor shall provide Licensee with information and reasonable assistance, at Licensee's request and expense, necessary to settle or defend such claim. Licensee agree to pay all damages and costs finally awarded against Licensor attributable to such claim.

(d) Notwithstanding Subsection (a) above, Licensor assumes no liability hereunder for, and shall have no obligation to defend Licensee or to pay costs, damages or attorney's fees for, any claim based upon any modifications to any of the Product not approved by Licensor or combination of any of the Product with products not approved by Licensor, and only to the extent that such modification or combination contributes to such claim.

11. Limitation of Liability

Except for the indemnification obligations of Clause 10 or breach of Clauses 2 or 6, neither party will be liable to any person for any loss, damage, cost, expense or other claim (including consequential, direct, indirect, special, punitive or other damages and loss of data or profits) in relation to the Product including, without limitation: (a) any use or reliance on a Product by the person (including the form and content of errors in and/or omissions from any information contained in a Product); (b) any delay, interruption or other failure in the provision of the Product; or (c) any change in the form or content of the Product. In no event will Licensor's aggregate liability under any claims arising out of this agreement exceed the fees paid by Licensee under this agreement. Except for each party's indemnification obligations or breach of Clauses 2 or 6, neither party will be liable for lost profits or for special, indirect, incidental or consequential damages, regardless of the form of action, even if such party is advised of the possibility of such damages. The foregoing liability limitations shall apply to the maximum extent allowed by applicable law. To the extent the foregoing liability limitations or the warranty disclaimers of Clause 9 are not allowed by applicable law, then the liability of Licensor, and the remedy of Licensee, shall be limited to: (i) the re-supply of any defective Product; or (ii) the refund of any license fees paid by Licensee for such defective Product.

12. Arbitration

Any dispute arising under this EULA will be subject to binding arbitration by a single arbitrator appointed and acting under the Rules of the British Columbia International Commercial Arbitration Centre (the "BCICAC"), in accordance with its relevant industry rules, if any. The parties agree that this Agreement will be governed by and construed and interpreted in accordance with the laws of the Province of British Columbia. The arbitration will be held in British Columbia. The Arbitrator will have the authority to grant injunctive relief and specific performance to enforce the terms of this Agreement. Judgment on any award rendered by the Arbitrator may be entered in any Court of competent jurisdiction.

13. Severability

If any term of this EULA is found to be unenforceable or contrary to law, it will be modified to the least extent necessary to make it enforceable, and the remaining portions of this Agreement will remain in full force and effect.

14. No Waiver

No waiver of any right under this EULA will be deemed effective unless contained in writing signed by a duly authorized representative of the party against whom the waiver is to be asserted, and no waiver of any past or present right arising from any breach or failure to perform will be deemed to be a waiver of any future rights arising out of this EULA.

15. Entire Agreement

This EULA constitutes the entire agreement between the parties with respect to its subject matter, and supersedes all prior agreements, proposals, negotiations, representations or communications relating to the subject matter. Both parties acknowledge that they have not been induced to enter into this EULA by any representations or promises not specifically stated herein.
